<https://developmentaid.it/>

# Our Services

**Extended Teams** – we help to augment your in-house team by supplementing their expertise with any skills or experience that are lacking..

**DevOps** – our DevOps team can both manage and be consulted on a variety of topics: CI/CD, Blue-Green deployment, automated patching and security filters.

**UX & UI design**– We offer optimal solutions to align with your business goals and users' best experience and deliver UI/UX solutions.

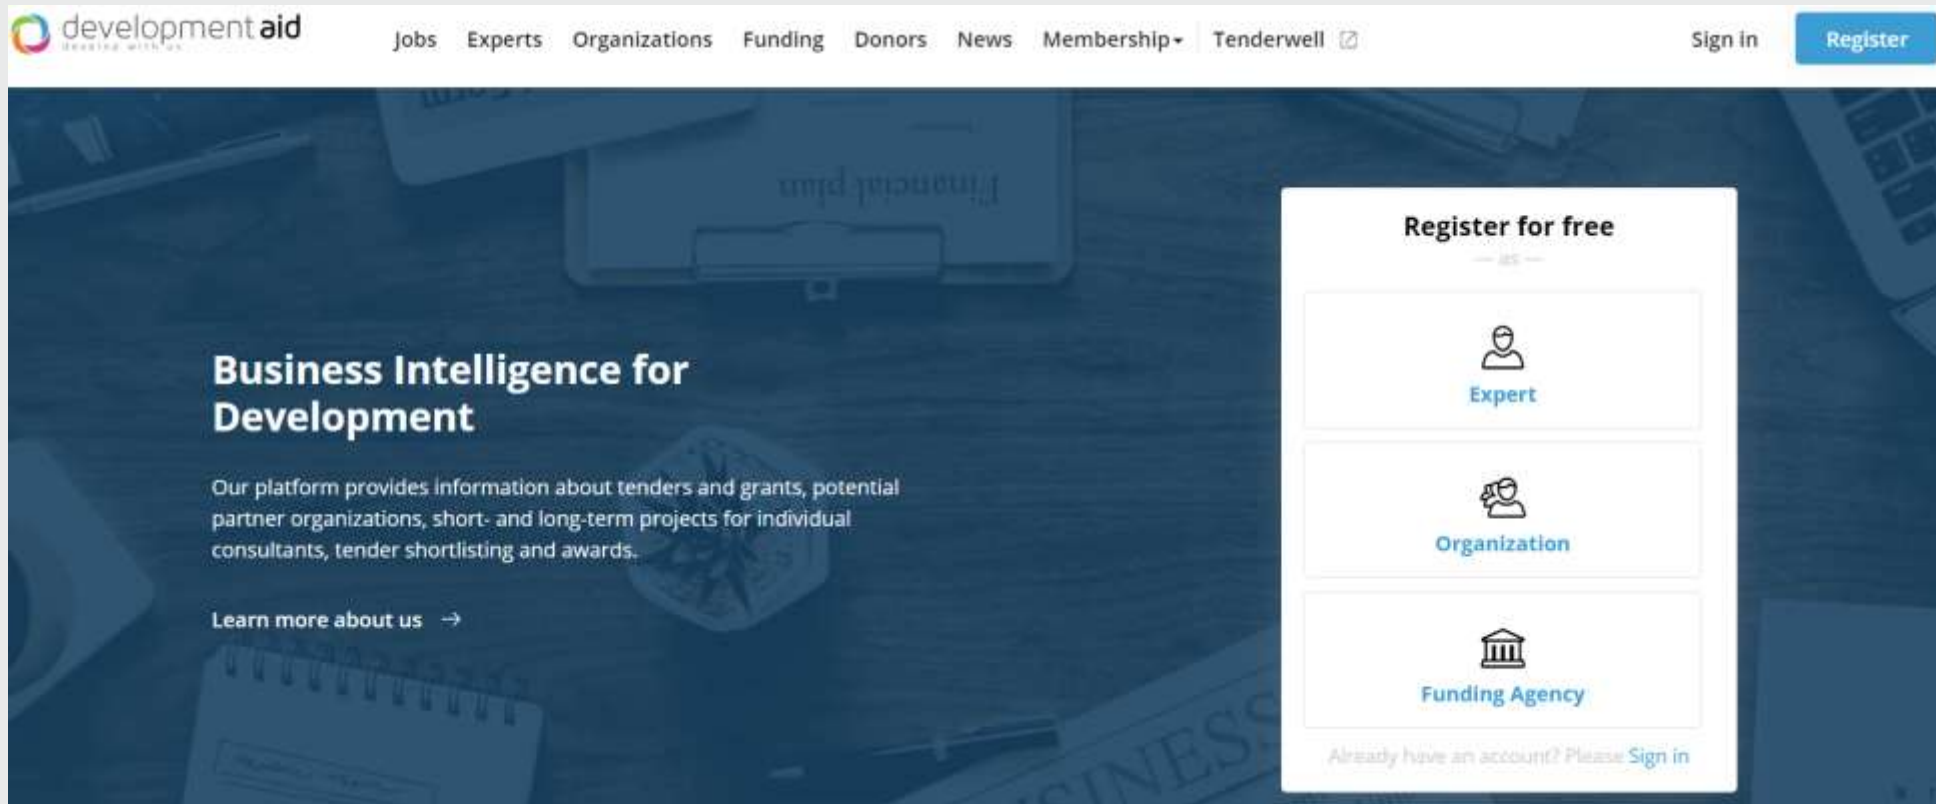

**Software Development** - whether a single page application or a distributed microservice web platform, we will develop it for you.

# Our work

<https://www.developmentaid.org>

-  Business Intelligence Platform – a database that unites major international banks, donors, organizations and experts active on the donor-funded market.

The screenshot displays the homepage of developmentaid.org. The navigation bar includes links for Jobs, Experts, Organizations, Funding, Donors, News, Membership, and Tenderwell, along with Sign in and Register buttons. The main content area features the heading "Business Intelligence for Development" and a description of the platform's services. A "Register for free" modal is open, offering registration options for Expert, Organization, and Funding Agency, with a Sign in link for existing users.

# Our work

<https://tenderwell.app/>

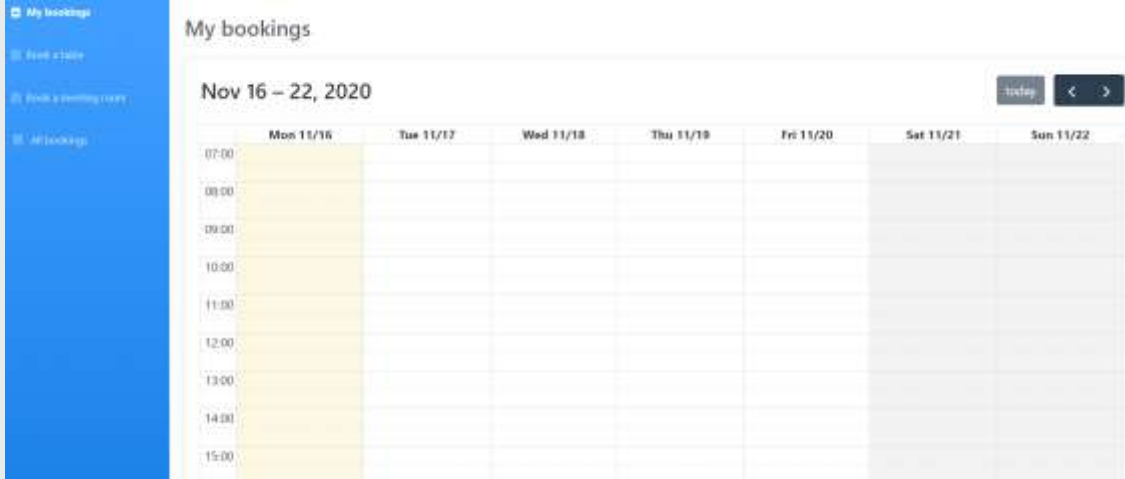

- Project management application built to streamline company's acquisition process of a company by allowing data to be stored, tracked and managed efficiently.

The screenshot shows the Tenderwell website landing page. At the top left is the Tenderwell logo, a lightbulb with a brain inside, followed by the text 'tenderwell'. To the right are navigation links for 'FEATURES', 'PRICING', and 'CONTACT'. The main heading is 'Smart Project Acquisition Tools'. Below this is a paragraph of text: 'Tenderwell has been designed to streamline your acquisition process by allowing you to store, track and manage data efficiently. It optimizes the way you work with leads, candidates or proposals and facilitates your communication with candidates and partners to achieve dynamic and fruitful cooperation.' Below the text is a blue button that says 'GET IN TOUCH'. To the right of the text is a large image showing the Tenderwell logo and the text 'Smart Project Acquisition Tools' over a background of a network diagram. At the bottom of the page is a section titled 'Smart, easy and efficient processes to store/ track/ manage' with six icons representing different stages: Leads (two people), Candidates (a person with a speech bubble), Proposals (a CV document), Organisations (a group of people), Project managers (a person at a laptop), and Awards (a certificate with a ribbon).

# Our work

 **Rotary Club Manager** - combines all the tools any club needs to successfully connect and engage members and the wider community alike.

 **Bookit** – an application that enables a room for meetings or conferences to be booked and avoid any overlapping.

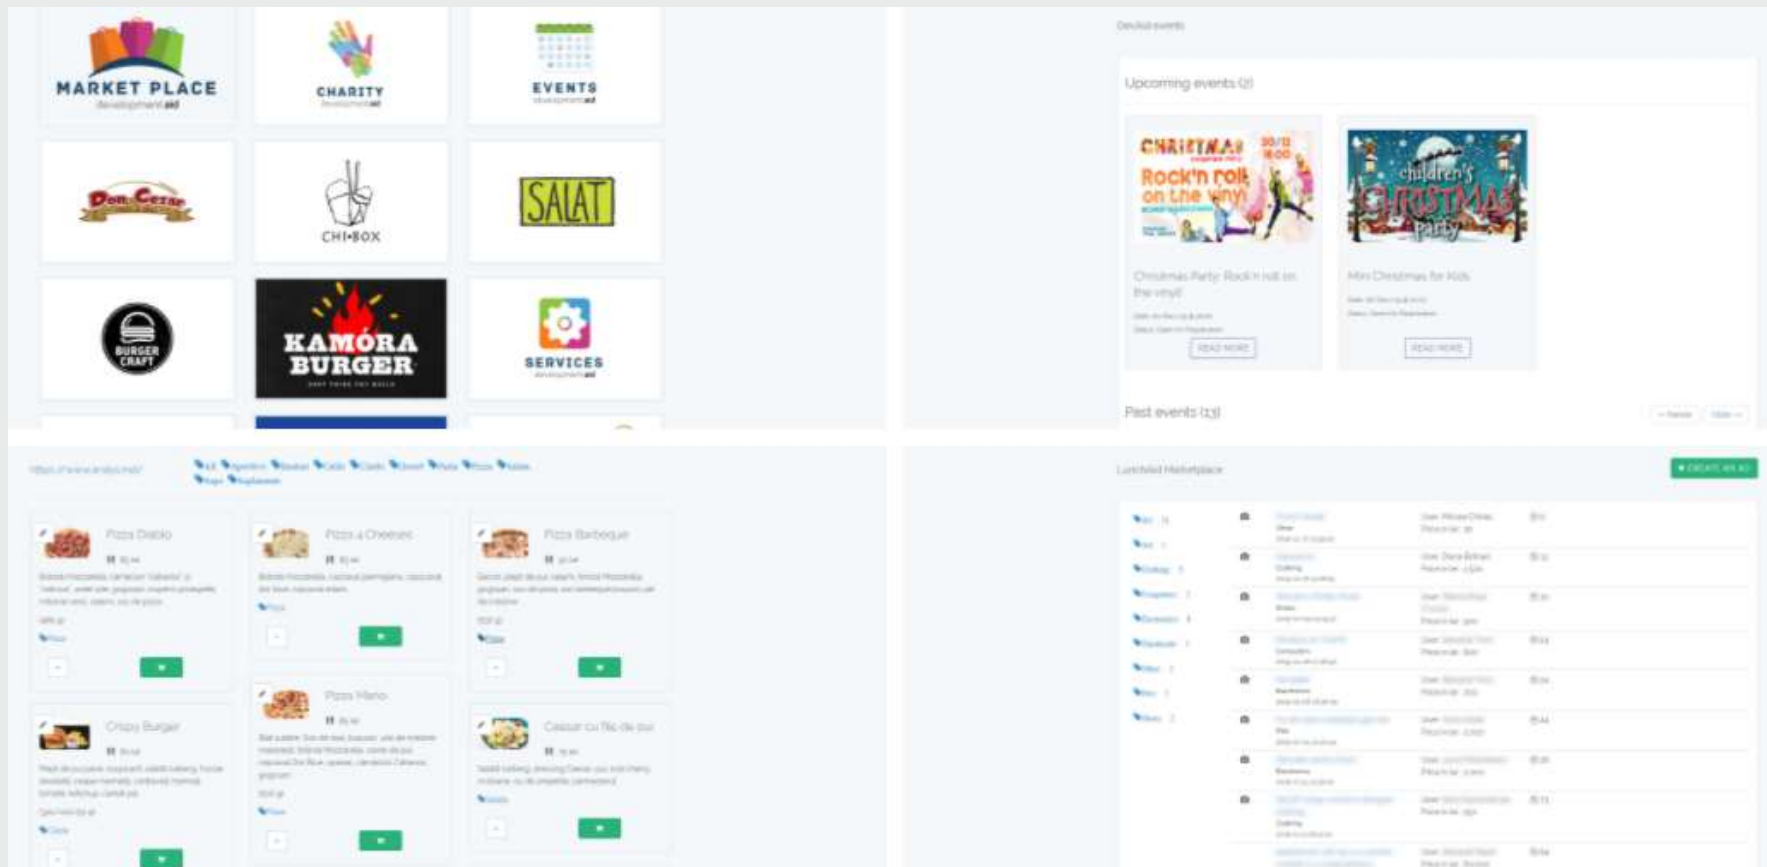

The image is a screenshot of a web application interface for room bookings. On the left is a blue sidebar with navigation options: "My bookings", "Book a table", "Book a meeting room", and "All bookings". The main content area is titled "My bookings" and shows a calendar for the week of "Nov 16 – 22, 2020". The calendar has columns for each day from Monday to Sunday and rows for time slots from 07:00 to 15:00. The Monday column is highlighted in yellow, and the Saturday and Sunday columns are shaded grey. There are no bookings visible on the calendar.

	Mon 11/16	Tue 11/17	Wed 11/18	Thu 11/19	Fri 11/20	Sat 11/21	Sun 11/22

# Our work

<https://lunch.devoid.zone/>

 LunchAid - an application that aims to offer meal solutions for employees by providing a wide range of available take-out and delivery options.

## Our clients' testimonials

*“After looking at several companies to do appointment setting for us, we chose DevelopmentAid IT and do not regret this. Despite the complexity and diversity of our ideas, DevelopmentAid IT grasped the solutions and key messages and ran with it. They are a team of professionals and committed to partnering and delivering results.”*

**@RightAngle**

“I have worked with the DevelopmentAid IT team since 2013. They are excellent professionals.” **@European Management Solutions**
