ARTVIN PURCARI

IN COLLABORATION WITH ARTELIT*

EVENT GOALS:

- Promotion of Romanian art and culture;
- Establishing the connection between national and contemporary art through the different genres of art (painting, sculpture, decorative art, music, etc.);
- The exchange of experience between the artists from the participating countries;
- Supporting artists and young talents from vulnerable families;
- First presentation of the painting by composer Master Eugen Doga.

*ArtElit Cultural Center is focused on promoting Moldovan art and culture on the international arena, connecting folk and modern art and sharing experience among Moldovan and foreign artists. One of the main goals of the Center is to support artists and young talents from disenfranchised families and offer them guidance of great masters from around the world.
